Reasons for Allowance

1. The RCE filed 8/24/09 has been entered.

2. The following is an examiner's statement of reasons for allowance:

The amendment filed 3/9/09 adds to the independent claims the specific details regarding annotating metadata, the metadata analyzer, the playlist generator, and monitoring the facial expressions to infer an emotional reaction as feedback to update the playlist. The specific details of these features as brought out in the amendment 3/9/09 distinguishes the independent claims (54- system, 71- method) over the prior art of record. The Examiner's amendment from 5/26/09 canceled out the withdrawn claims. The RCE was filed 8/24/09 to consider the Information Disclosure Statement filed 8/24/09. After consideration and review of the Information Disclosure Statement, the independent claims (54- system, 71- method) still distinguish over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
